

Never trust a fox. Looks like a dog, behaves like a cat.

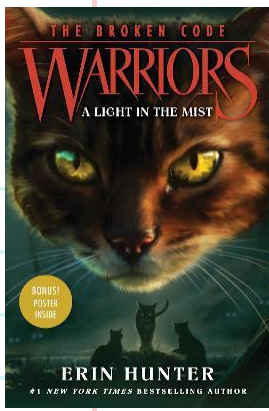

We all have our flaws. But we overcome them. And sometimes, it's our flaws that make us who we are.

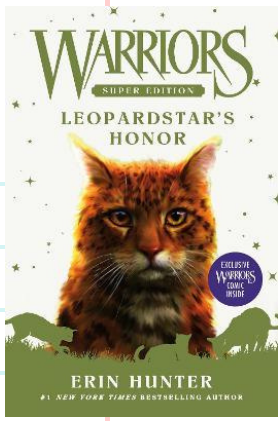

“There’s more to being a warrior than killing. A true warrior — the best warrior — isn’t cruel or mean. He doesn’t claw an enemy who can’t fight back. Where’s the honor in that?”

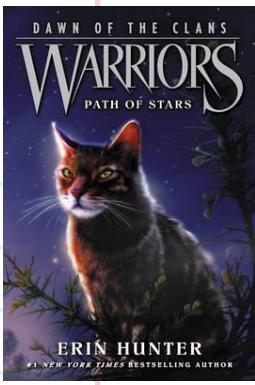

Destiny isn't a path any cat follows blindly. It is always a matter of choice, and sometimes the heart speaks loudest.

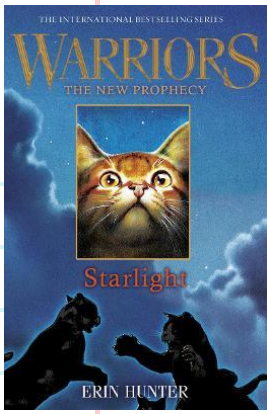

She closed her eyes and in her last moment
felt only warmth. Only love.”

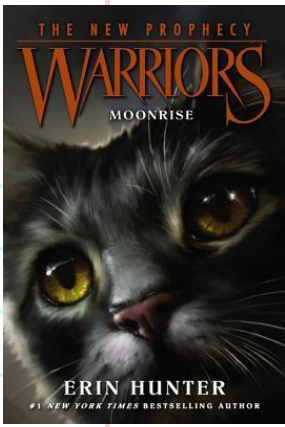

A warrior is heart and mind. It is not how we hunt and fight that defines our success, but how we face tragedy, how we rise above it. This is how we prove we are true warriors.

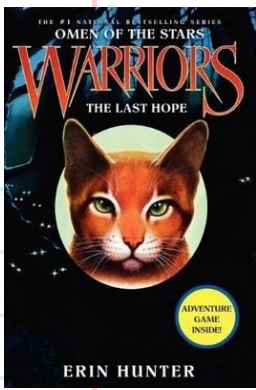

I have traveled so far and loved so much, and yet I am still following the Sun Trail, heading for my new hunting grounds.

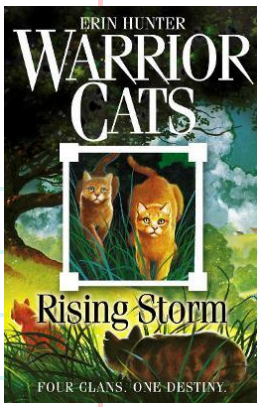

I don't talk for the pleasure of hearing my own voice,
unlike some cats.

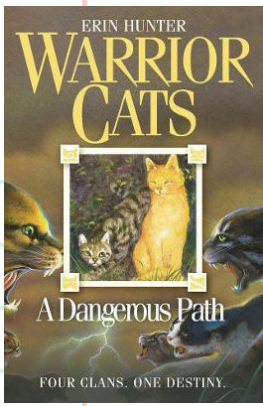

The strength and fellowship of the Clan will always be with you, even when you hunt alone.

My warriors have only one life to lose and they are willing to give it up for their Clanmates. I'm no different. My place is beside them.

You must have courage, humility, kindness,
and defiance to be a true leader.

I want them to be their own warrior,
not an echo of a cat that has gone before.
